THE BUILDING

Equilibrium is a contemporary Grade A office building in Agia Zoni, in the centre of Limassol, designed for companies that want a prestigious address, premium specifications and a modern working environment. It offers flexible office layouts, generous outdoor spaces and dedicated staff facilities.

The south facade has an adjustable ceramic louvre system for shading, and the north facade carries climbing plants on suspended wires. Semi-open spaces and greenery create areas for outdoor meetings and breaks, with a rooftop conference room and event terrace.
