THE BUILDING

Tower 55 is a new office building on Makarios Avenue in Limassol, with one office on each floor. A central lobby with a visitors' waiting area of 135 m² leads to eight office floors, 1,600 m² in total. Every floor has a private veranda facing Makarios Avenue.

The building has two lifts and two staircases, which is unusual for a building of this size. Three underground levels hold 14 parking spaces on two levels, and the lowest level houses the fire-prevention systems. Three more spaces on the ground floor bring the total to 17. The top level is a roof garden of 185 m² with a bar.

Tower 55 qualifies as an Energy Class A building. Its photovoltaic panels may cover the needs of all common areas, together with the basic needs of two office floors.
